BALI ISLAND The Island of Paradise

Bali has been called a paradise on earth, and you would be hard pressed to find anywhere else that so richly deserves the title. With a wealth of breathtakingly beautiful beaches, mountains and forests, a harmony of modern comforts in a culture rooted in tradition and a string of spas and retreats offering nourishment for mind, body and spirit, **Bali** is an unmissable pocket of Eden.

Senggigi Beach - the perfect island

Perfect place to relax, Senggigi boasts a series of white sandy beaches and safe swimming areas. The point at central Senggigi has good waves for surfers. This place has a colorful reef which provides shelter to a variety of marine life and exquisitely shaped coral and makes it a perfect place to snorkel.
